Athletic Clerks	Jacque Olson Lois Smith
Conference	Mission North (Football Only)
Nickname	Vikings
Mascot	Ole
Colors	Black, Red and White
Sports Information Office	420-4243

QUICK HISTORY

Long Beach City College was established in 1927 for the citizens of Long Beach and surrounding communities. The original site was at Woodrow Wilson High School. Since that time, it has grown to one of the largest schools in the nation with 30,000 students enrolled last semester. The two major campuses of the college are the Liberal Arts Campus on Carson Street at Clark Avenue and the Pacific Coast Campus at Alamitos Avenue and Pacific Coast Highway.

Long Beach City College is a community-oriented institution, committed to providing general and specialized educational opportunities for all students without regard to race, national origin, creed, sex or age. The college recognizes that education is a life-long process and accepts its responsibility in helping each student to learn his or her own capabilities.

Admission to the college is governed by an open-door policy which states that the college is open to any person who is 18 years or older, or who is a high school graduate. Students may attend days or nights, or both, either full time or part time, at class locations of their choice.

Students pay \$5 per unit or a maximum of \$50 per semester, for those who qualify for California residency. Students buy their own books and supplies, purchase Associated Student Body membership and enjoy reasonably priced food at college cafeterias and snack shops. Financial aid is available to qualified students.

For the student whose goal is completion of four years of college and the baccalaureate degree, Long Beach City College provides a smooth transition from high school to the four-year institution.

PRESIDENT'S MESSAGE

We at Long Beach City College are highly regarded for our commitment to students; widely respected for excellence in teaching and openly responsive to the communities we serve.

All our Long Beach City College coaches and staff share a deep commitment and caring attitude toward our students. With this support, our football athletes can anticipate a positive experience on and off the field and spirited competition in the Mission Conference.

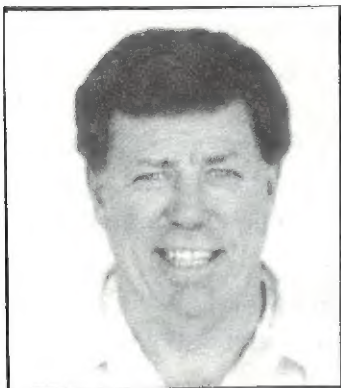

We believe that intercollegiate competition plays an important role in our students' lives. We believe our students' experiences in athletics contribute to their educational, social and emotional development and, in the future, to their chosen fields of endeavor.

I welcome you to a very important part of student life at our institution, and offer congratulations to coach Wil Shaw, his staff and athletes for their contributions to Long Beach City College.

Dr. Beverly O'Neill
Superintendent-President

The 1990 Long Beach City College Football Media Guide was published by the Long Beach City College Sports Information Office (Miles Beam, director) and was produced on desk-top publishing. Photographs were provided by Visual Sport Network of Oceanside, California and by the Long Beach City College Viking newspaper (Jim Truitt, photo lab technician). This media guide was edited by the Long Beach City College Public Information Office (Tracy O'Connell and Billie McNeal). Advertising managers for this media guide were Donna Schroeder and Jennifer Stanton.

A WORD FROM THE ATHLETIC DIRECTOR

Welcome to exciting Long Beach City College Viking football. This year's team will take its place in the continuing tradition of our men's athletic excellence - holding more state titles than any other California community college. These young men, as hundreds before them, are committing their talents and efforts to represent Long Beach City College.

Our players' efforts, under the direction of an outstanding coaching staff led by head coach Wil Shaw, will result in a rewarding experience on the playing field this season in the tough Mission Football Conference.

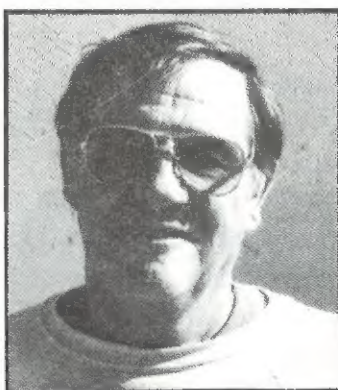

We are confident that the combination of team opportunities and experiences in the classroom will prepare our student-athletes for commitment and success in our community for many years to come. We appreciate your attendance and support of our entire athletic program and its goals.

COACHING STAFF

Wil Shaw - Head Coach

Wil Shaw begins his seventh season as head coach of the Vikings and his 20th year in the football coaching field. Shaw began his coaching career in 1970 at his high school alma mater, Santa Ana Valley. He moved over to LBCC as an assistant in 1973. After serving as an assistant coach for both offense and defense, Shaw was named head coach of the Vikings for the 1984 season.

Born in North Carolina, Shaw moved to California when he was seven. He helped lead Santa Ana Valley High to three consecutive league titles. He attended Santa Ana Valley Junior College, where he played for two seasons before transferring to Kansas State University. In 1968 he signed with the Dallas Cowboys and later played with the Atlanta Falcons.

With a master's degree in psychology, Shaw teaches classes at LBCC. He and his wife Erma live in Brea with their children: Marc, 19, who is on this year's Viking squad; Myeshia, 11; and Nikole, 9.

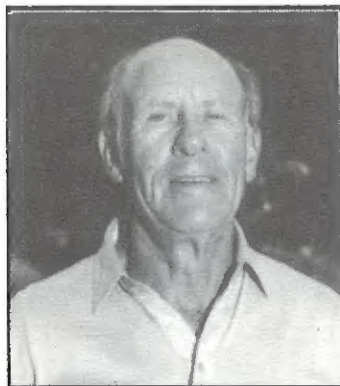

Chris Ferragamo - Offensive Linemen

Second-year coach Chris Ferragamo says with consistency the Vikings could challenge for the division championship this season. "The team has set a goal of winning 10 games this year," says Ferragamo. He began coaching at his alma mater, Banning High School, where he stayed for 25 years before being named head coach at Los Angeles Harbor College. He coached at Harbor for two years before coming to LBCC in 1985.

Ferragamo played football at Harbor before transferring to Cal State University, Long Beach, where he earned bachelor's degrees in biology and physical education. He and his wife Marlene have been married for 30 years and reside in Carson. They have three grown children and one grandchild, Meagan, who is one year old. Ferragamo enjoys vacationing in the mountains and camping with his family.

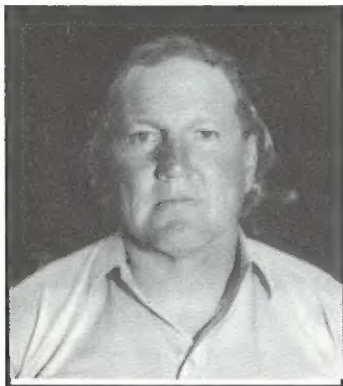

John Ford - Quarterbacks

The 1990 season marks the 40th year that John Ford has been involved in coaching football. His career began in 1951 at Rotan High School in Texas, where he served as head coach for two seasons. From 1953-1958 he coached the running backs at the University of Arizona. He then moved to Long Beach as head coach of Jordan High School in 1959. After two seasons Ford went back to Texas, where he took over the helm of the Hardin-Simmons University football team. Warren High School was his next stop before settling in at Lakewood High School as head coach for the next 17 years. Ford also served as an assistant coach at Cerritos College and Rio Hondo College before coming to LBCC in 1984. A graduate of Rotan High School, Ford went on to star at Hardin-Simmons in Abilene, Texas. While at HSU, he earned All-Border Conference quarterback honors three straight seasons. Ford received his master's degree in physical education. He lives in Lakewood with his wife of 40 years, Fern. His family includes two sons, their wives and five grandchildren. Ford enjoys playing golf and riding his motorcycle.

COACHING STAFF

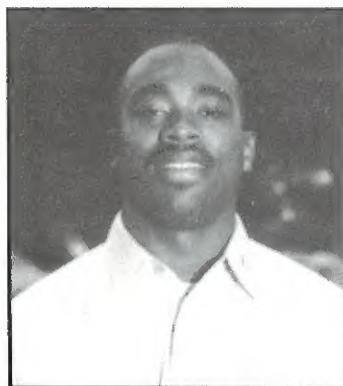

Sam Hard - Linebackers

Sam Hard went to Inglewood High School and attended U.C., Berkeley, where he played football for three seasons. He received his bachelor's degree in business at Cal and his master's at Pepperdine. Most of Hard's coaching experience is at the high school level. In fact, he has coached at seven different high schools, including one in Utah. Hard is a very disciplined coach who believes in teaching his players the fundamentals.

Hard resides in Long Beach with his wife of 27 years, Andrea. They have two sons, Jay, 21 and Josh, 16. His hobbies include cycling, backpacking and skiing.

Jamelle Hollieway - Quarterbacks

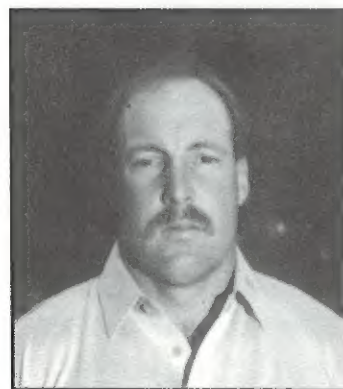

A new addition to this season's staff is former University of Oklahoma quarterback, Jamelle Hollieway. Hollieway was named to the All-Big-Eight team three straight seasons and also received All-American honors for one season. He also was named Academic All-American his freshman year with the Sooners. Hollieway is a local stand-out product from Banning High School. He also played professional football for the British Columbia Lions of the Canadian Football League.

Hollieway graduated from Oklahoma with a degree in political science. He enjoys dancing, listening to music and studying black history. He lives in

Carson and has a son, Jamelle Lionel, Jr.

Mike Maloney - Defensive Backs

Mike Maloney returns for his fifth season of coaching at his alma mater, where he was a stand-out defensive back. Maloney received first-team All-Metro honors in 1977 and 1978 and was named All-American for the '78 season, as well. He was also inducted into the LBCC Hitter's Hall of Fame and he still holds the record for tackles in one season by a defensive back. Maloney played in the defensive backfield for the Arizona State Sun Devils in 1979 and 1980. He also played professionally for the Arizona Wranglers and the Chicago Blitz of the United States Football League.

Maloney graduated from ASU with a bachelor's degree in physical education. Before coming to LBCC in 1986, he coached at his high school alma mater, Long Beach Poly. His hobbies include fishing, hunting and playing golf. Maloney is single and lives in Long Beach with his 11-year-old daughter, Candice.

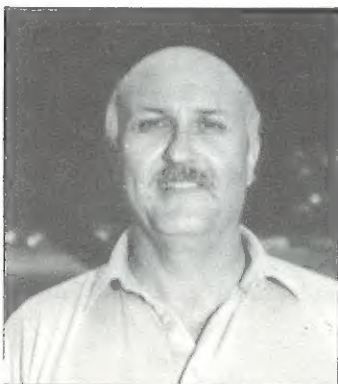

COACHING STAFF

Jim Murphy - Defensive Coordinator/Linemen

This year marks the 17th season for Jim Murphy as coach at LBCC after spending 25 years at Whittier College. Murphy went to Jordan High in Long Beach before attending LBCC. He was an All-Metro noseguard and offensive guard for the 1960 Vikings. That same season, LBCC notched a perfect 10-0 record enroute to victory in the Junior Rose Bowl and the school's first national championship. Murphy attended Whittier College, where he was twice named to the All-Coast Conference team and the second team Small College All-America.

Murphy graduated with degrees in physical education and biological sciences. He enjoys reading, camping and working with computers. He and his wife Sherri have been married for 25 years. They live in Cypress with their sons Shawn, 20; Jim, 18; and Shay, 7. Jim is a member of the Vikings this season.

Bob Panek - Kickers/Punters

Now in his second season as coach at LBCC, Bob Panek believes that the Vikings have the potential to go a long way this season. "This season's team will be 'outta sight'. We have set a goal of winning all of our games this year, 10-0." Before coming to LBCC, Panek coached football for five years at Banning High School and in 1987 coached at L. A. Harbor College. Upon graduation from Banning, Panek went directly into the Air Force where he played football and baseball at Chicksands A.F.B. in England. Panek was a three-time All-U.S.A.F. catcher.

He enjoys playing gin rummy, walking on the beach, playing volleyball, camping, fishing and waterskiing. Panek lives in Long Beach and has three children: Angie, Amy and Robby. His parents, Matt and Julie, and his brother-in-law and sister, Tony and Laurie, are faithful Viking fans who attend every game. On September 3, Panek's daughter Angie gave birth to a boy, making him a proud first-time grandfather.

Al Washington - Wide Receivers

Returning for his second season as a Viking coach, Al Washington played quarterback for LBCC in 1983 and 1984. Washington received his AA from LBCC, then transferred to the University of Southern California where he played wide receiver for two more seasons. Washington is currently in the process of earning his bachelor's degree in business administration at USC.

Washington attended Carson High School and coached football there for two seasons prior to coming to LBCC. During his spare time he likes listening to soft music, attending jazz concerts and going to the movies. Washington lives in Long Beach and has an eight-year-old son, Dante.

1990 SEASON PREVIEW

The Viking coaching staff hopes this season begins the way last season ended. Going into the San Diego City game last season, the Vikings were looking to end a five game losing streak. For the first time all season, the entire team was healthy and ready to play. The result was a resounding 60-0 victory for the Vikings. Now going into its 61st season, the Long Beach City College Viking football team is looking to turn things around this year and challenge for the Mission Conference North Division championship.

Gone from last season's squad are first team All-Conference players Kevin O'Connell (DL) and Murphy Duckett (ILB); second team All-Conference Sam Alexander (WR), Damon Fisher (QB), Travin Lui (RB/P), Corey Sylve (RB), Wendell Williams (DL), Anthony Dalton (OLB) and James Brown (DB); and S.C.C. Honorable Mention players Eric Denmion (OG) and David Jenkins (OT). The Vikes will have seven returning offensive starters and eight defensive starters. All-Mission Conference players who are coming back this year are Oscar "Bandit" Ford (WR/Return Specialist), Chris Smith (DB), Paul Ordonez (C), and Wendell Valentine (OLB). Returning offensive starters are Steve Jones (QB), Keith Huff (RB), Charles Revis (T), Mike Loyola and Felix Lueta (Gs). Defensively the Vikings have returning Mike Wall and Ben Green (ILBs), Darrel Brooks (OLB), Montee Boulware (DB), and Wayne Manu and Norman Steele (DEs). Highly touted new-comers on this year's offensive team are David Jackson (WR), Sean Hochmuth and Chris Miller (QBs), and Kelly Akridge, Therron King and Greg Sorenson (OL).

A new addition to the Viking coaching staff this season is former University of Oklahoma quarterback Jamelle Hollieway. He will assist John Ford with the quarterbacks. Hollieway was one of the best option quarterbacks in the history of Oklahoma football. Missing from the staff is linebacker coach Tony Klune. He decided to leave the team in order to obtain his master's degree from USC.

Once again the Vikes will have a strong defense, which will trouble many teams' offensive schemes. Last season the Viking defense was ranked third in the 16-team Mission Conference. Offensively the team will be strong on the line, which will be a benefit to the Viking running attack. A tight contest for the starting quarterback position developed over the summer, which forced the coaching staff to hold off until the final week of pre-season practice to name a starter.

1990 VIKING FALL SPORTS PREVIEW

Women's Volleyball

The 1990 season marks the return of head coach Donna Prindle, who coached the Lady Vikings to an appearance in the state finals in 1979. Joining Prindle will be assistant coach Margaret Bos. This season's Lady Viking team has ambitions of improving upon last season's fourth place conference finish.

"We hope to improve our conference standings, as well as qualify for the regional and state playoffs," says Prindle. The 1990 Lady Vikings are composed of three returning players and 10 first-year players. "Our team roster is made up of 15 very talented volleyball players. We have a complete team with talent and depth at all positions. The task facing us will be putting it all together on the court."

Setting the ball for the Lady Vikes this season are second year player Naomi Kelly, Michelle Jacobson, Deanna Jaramillo and Eva Morales. "We have great depth in the all-important setting position." Middle hitters and blockers are Saunialae Sefo and second-year players Jennifer Baker and Ronnie Taylor. "We have good height in the middle with four players ranging from 5-10 to 6-2." This year's outside hitters are Kimm Behrens, Holly Rowe-Cervenny, Lisa Trimble and Janelle Williams. "Our outside hitters are all talented, possessing strong hitting and passing skills." At the defensive position this season are Maybell Dy and Michelle Mauricio. "To anchor our team we have two great defensive specialists." With the all-around talent the Lady Vikes possess, the 1990 season should be exciting.

Women's Cross-Country

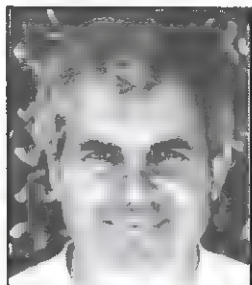

The 1990 women's cross-country team is potentially the strongest in the school's history. The goal of qualifying the team for the California state meet is well within reach this season. Coaching the team once again is Dan Ripley, who was named SCC track coach-of-the-year, after guiding the Lady Vikes to an SCC championship, and second-place finishes

in the So. Cal. Regionals and the state championships. He will be assisted by Denise Bigelow, who ran cross-country for CSU, Hayward.

All-South Coast Conference runner Brooke Mabe, who qualified for the state meet last season with a five kilometer time of 18:53, returns for her second year. Promising freshmen include Tracy Rose of Seal Beach, who was an All-American swimmer at CSU, Northridge, with a five kilometer time of 17:11; Shrela Washington of Long Beach Poly, who was an All-CIF track athlete in the 800 meters; Eva Huerta and Lenny Campos of Lynwood High School and Liz Hess from Wilson High School. The team is also fortunate to have the help of Crystal Irving, the 1990 California State 200 and 400 meter track champion.

Men's Soccer

Never in history has a Long Beach City College soccer team won a conference championship. The 1990 season could be the beginning of many successful years ahead for LBCC soccer. "I will be disappointed if we don't finish in the top three," says head coach Bill Finnerty. "I really believe this program is on the rise. I'm not the type to beat my own drum, but I know we can surprise a lot of teams this season." This season, finishing in the top three of the South Coast Conference will be even more difficult than previous seasons, as the SCC has expanded from five to eight teams. New additions to the conference are L.A. Harbor, Victor Valley and defending state champions, East L.A. The Vikings will also have to deal with three-time defending SCC champion, El Camino.

If the team doesn't finish at the top of the conference, the Vikes should easily improve upon last season's 2-11-2 overall record. "Our record may have been atrocious, but we lost most of those games by one or two goals," says Finnerty. The Vikings will have a hard time replacing freshman All-SCC mid-fielder Fausto Mancilla, who left California to further his academic interests. The team will have five players returning from last season, two players from the 1988 team, and two players from the 1987 squad. Finnerty, who is in the fourth year at LBCC, will be assisted by Jose Avalos. Avalos was the most valuable player of the 1988 Viking team.

Water Polo

Maintaining the Viking water polo winning tradition will once again not pose a problem for second-year head coach Hank Vellekamp. The difficulty will be winning the South Coast Conference, the Southern California Regionals, and the state championships. Within the conference, Golden West will once again battle the Vikings for

the SCC title. The Rustlers captured the conference crown from LBCC last season. In 1989 the Vikings finished fourth at the state championships, which were held at the Belmont Plaza pool in Long Beach. Grossmont and Cuesta are two other teams who will challenge for the state water polo championship, which will again be held at Belmont Plaza.

Returning from last season's team are All-South Coast Conference Matt Kuhn, Todd Patty, Jon Virak, Simon Quinn and Nick Kraushaar. Additions to the team who are expected to make an impact are Skipper Prosser, James Foti, and Gene "Bubba" Drody. Vellekamp believes that anything can happen during the season. "We have a better team than last season, which gives us a good shot at winning the conference."

1990 VIKING FALL SPORTS PREVIEW

Men's Cross-Country

With the return of a couple of top runners from last year's team and with the addition of a few strong athletes this season, the 1990 Viking cross-country team could challenge for their first conference championship in seven years. "This may be our best team ever," says head coach Ron Alice. "We have some athletes who can compete with the Mt. San Antonio

runners." Alice, who turned down a job opportunity with the University of Southern California to remain at LBCC, has hopes of surpassing the seasons of 1967 and 1983, when the Vikings finished third in the state.

Returning for a second season are Andrew Tansley and Michael Navock. Tansley was a second team All-SCC runner in 1989. Last spring Navock was named to the All-Southern California track team in the 10,000 meters. New additions to this year's team are Oscar Gonzales, Francis O'Neill and Mike Farrell. Gonzales holds the LBCC record in the 10,000 meters and finished second at the California state track meet in the same event last May. Two seasons ago, O'Neill was a high school All-American in cross-country and track. Farrell is a freshman who was an All-CIF runner at San Clemente High School last year.

Alice will once again be assisted by Tyrus Deminter, who has been coaching with Alice for the past eight years.

Men's Basketball

With Bill Fraser on leave to coach basketball in the United Arab Emirates, the LBCC athletic administration didn't have to look far to find a qualified replacement. New head coach Gary Anderson, who assisted Fraser for 15 seasons, is looking forward to a successful yet challenging season. "The SCC is one of the toughest conferences around.

This season is wide open, anyone can take it."

Returning from last year's team are All-Conference players Rob Goodman, Aaron Adams and Carrol Thompson. Also returning for a second season will be Derrick Knowles and Al Jankowski. The Vikings have received three transfer players, who will considerably strengthen the team. They are Terry Nelson, who was named to the All-State team last season at L.A. Harbor College; Jerry Curtin, 6-7 center who comes to LBCC out of the state of Wisconsin; and Victor Camper, a 6-8 center from Compton College. Rounding out the Viking team are incoming freshmen Melvin Jones, an All-CIF player last year from Poly; Damon Powell of St. Anthony; Sheldon Grigsby of Wilson High School and Ibn Maddred from Millikan High School.

Joining Anderson on his coaching staff will be Barry Barnes, Kelly San Jose and Jerry Winston. "I figured I would need three coaches to replace Fraser," quips Anderson. The 1990 Viking team will try its best to improve upon last year's second place conference finish.

Women's Soccer

The 1990 season marks the break-up of the South Coast Conference, as LBCC moves into the newly re-aligned Orange Empire Conference. Joining the Lady Vikings in the OEC are Golden West, Orange Coast, Mt. San Antonio and Palomar. The remaining members of the SCC have transferred into the Western States Conference. "The benefit of the change is that it splits up the conference powers El Camino and Orange Coast," says head coach Carol Waechter.

According to Waechter, the 1990 Lady Vikings are a positive thinking group, who are dedicated and talented. Returning from last season's team are Heather Haas, Shannon Lewis, Kim Lewin, and Debbie Siegfried. Waechter says that Haas is an "outstanding defensive player," who will be at the sweeper position. Lewis is a "knowledgeable defender with excellent marking ability." Lewin, who started as goalkeeper last season, has "quick reactions." Siegfried has "a powerful shot and will lead the offensive attack." Waechter will be assisted by Kris Ross, who was the Lady Vikes' assistant basketball coach last season.

Waechter believes the team will perform well this season if it plays as a complete team. "The bottom line is that they need to play good, solid soccer - dependable on defense and creative on offense."

Women's Basketball

Long Beach City College welcomes new women's head basketball coach Barbara Jackson. She graduated from CSU, Long Beach in 1979 with a B.A. in physical education. While attending CSULB, she participated on the women's basketball and volleyball teams. Over the past several years, Jackson has coached both basketball and track at the high school and college levels. Her list of coaching accomplishments include five Amateur Athletic Union national championships and she coached the Ganesha High School girls' track team to a state CIF title in 1982.

Along with devoting part of her life to coaching, Jackson is also a practicing attorney. She is involved in a number of youth programs and is the legal counsel and vice-president of the Olympia Development girls' basketball program. She also serves on the Sports Law Council, which is funded by the Amateur Athletic Foundation. Jackson received her master's degree from CSU, Dominguez Hills and her law degree from Glendale University College of Law.

Jackson is optimistic, based on what she has seen so far from her new team. "They all have a good attitude and are willing to learn," says Jackson. She plans to take a good look at the team and assess the individual talent and attitude before she selects her players. "Everyone knows that they're being given a fair opportunity to make the team."
